Dear Fellow-Member,

'Proceedings'

The first number of the Society's Proceedings has now been published, and a copy has been given or sent to every Member. If any Member has not received his copy, will he please let me know at once. The Society's grateful thanks are due to the Hon. Editor. It is hoped to make succeeding numbers equally valuable, and to get them out a little earlier in the year. Extra copies are available for purchase.

Fixtures

Owing to pressure of business and general secretarial work the burden of dealing with the detailed arrangements for future outings has been shifted to the kind shoulders of the Hon. Programme Secretary (acting). Will members please note that applications to participate in the Dorking visit (10th July) and Polesden Lacey (27th July) should be made to Mrs. Wm. Rhydderch, 18 The Crescent, Leatherhead. Telephone, Leatherhead 2729; while members requiring transport for The Mounts (August 21st) should apply to Mr. S.E.D. Fortescue, "Pond Meadow", Preston Cross, Gt. Bookham - (Bookham 2683).

Those who have already booked with me need not apply a second time.

N.B. For September the following has been arranged:

Saturday, 25th September, 1948. Visit to Guildford to the Grammar School and the Abbots Hospital, then - after tea - to the Castle and Museum. These famed antiquities should be of great interest to all, and the visit prove a worthy close to the Summer programme.

Coach 5/-; Tea 2/-. Applications should be sent to me.

Excavations at The Mounts

The 1948 season will open officially on Monday, 19th July. Group D Members are asked to make a special effort to attend at the site on Saturday afternoon, 17th July, to get the site ready to start work on the Monday. A number of volunteers from other bodies will probably help us during the course of the season. It will be of great assistance if members of this Society will let me know when they are likely to be available, and whether for weekends, evenings, etc.

Yours sincerely,

A.T. Ruby.

Hon. Secretary.
