PLEASE NOTE CAREFULLY

Members are reminded that, to avoid the, sometimes, awkward necessity of having to collect expenses during the course of an outing, they should forward with their application for a place the amount of any charges indicated in the Fixture List. For all applications accepted a receipt will be given which will serve to reserve tea where desired and will reserve a seat (and give the time and place for boarding) if and where transport is provided.

Tea applications for the May fixture should be sent to the Hon. Programme Secretary, Mr. W.G. Gilbert, "Ranmoor", Hawks Hill, Fetcham (L'head 2000). For the June fixture they should be sent to me.

Please give at least 48 hours notice for teas.

The Mounts. 1949 Season

This year's excavations are likely to be of the utmost importance and it is hoped will result in the uncovering of the actual foundations of the Manor. It is essential that the site be thoroughly cleared to enable the necessary work to be carried out, and this must be done soon before the undergrowth becomes too thick. Therefore, an earnest appeal is made to all members capable of doing so to give up one, or at the most two Saturday afternoons to this very necessary task, including the filling in of a few of last year's trenches.

Subject to the weather, will those members meet at the Mounts at 3.30 p.m. on the Saturdays 14th May and 28th May for that purpose. Shovels and reaping hooks will be most useful. (If any member cannot attend then, but could do so on some other date or time, will he first please contact me to ascertain exactly what is to be done and what is to be left alone.)

Please do not leave this task to others if you can help. What is a long and laborious job for one or two can be made by enough willing hands into an easy and quick task in pleasant surroundings and company. Ladies will be welcome - if only for decoration, and to dispense tea to their menfolk.

The actual season will commence on 4th July.
