Circular 3/53

"Beechcroft",  
Hawks Hill,  
FETCHAM,  
Surrey.

6th July, 1953

Dear Fellow Member,

Fixtures

Change of Date  
for Visit to Thorncroft and Leatherhead Church  
to 29th August, 1953

Since we issued Circular 2/53, we regret to say it will not be possible for us to have access to Thorncroft on 15th August, as we expected. We have, however, been able to arrange for the visit on Saturday, 29th August, and the Secretary of The Electrical Research Association will welcome us and escort us over the building. Mr. F.B. Benger will give his talk about the house, and afterwards we propose to move across to Leatherhead Church, as stated in the earlier Circular.

Please meet at Thorncroft at 2.45 p.m.

Excavations at Lee Wood

The season for excavation has now commenced, and it is hoped to put a trial trench across the centre of the moated site. Weather permitting, work will start at 3.30 p.m. on Saturdays, and at about 10.30 a.m. on Sundays, until early September.

Volunteers, whether experienced, or not, are welcome. They should bring their own picnic meals, and, if they have them, small tools. Extra spades and picks will be useful.

Proceedings

We hope to circulate the 1952 issue in the course of the next few weeks.

Yours sincerely,

P. G. SHELLEY,

(Hon. Assistant Secretary)
